The screenshot shows a web application window titled "Add/Edit Directories". The main content area is divided into several sections:

- Header:** "Add/Edit Directories" with a "Close" button on the right.
- Information Panel:** A blue header reads "The following is information associated with the directory item." Below it are fields for "Directory" (empty) and "Title*" (empty). A "Directory Description" is shown in a large text area.
- Buttons:** To the right of the information panel are three buttons: "Add" (green), "Edit" (green), and "Drop" (red). Below these are two green arrow buttons (up and down).
- Post to which user groups?***: A section with five checkboxes: "External Users", "Staff", "Assistant Admin", "Manager", and "Supervisor". A "Partner" checkbox is located below this section.
- Footer:** A red asterisk indicates "*Required Fields". At the bottom right are "Cancel" (red) and "Save" (green) buttons.

On the right side of the window, a list of directory items is visible, including "The Programming Instruct...", "PHP Programming", "MarkUp Validation Service", "JavaScript Programming", and "Compass Feedback".
